2/8/10 1:39 PM **StanleySim61** #SimSoap I hope y'all aren't getting me confused with Flat Stanley - that little paper guy that travels around the world.

2/8/10 1:41 PM **StanleySim61** #SimSoap Just to clarify, I'm not flat - and I'm not sure that photos of my travels would be too exciting for a kindergarten class...

2/8/10 1:43 PM **StanleySim61** #SimSoap Feeling a little heaviness in my chest.

2/8/10 1:43 PM **StanleySim61** #SimSoap I've had a whole roll of chalky antacids, but I guess they haven't kicked in yet.

2/8/10 1:44 PM **inetnurse** #SimSoap @StanleySim61 is a bit overweight and has a coffee habit.

2/8/10 1:45 PM **inetnurse** #SimSoap Stanley is experiencing heaviness in his chest. Something akin to indigestion. He is rapidly going through his chewable antacids.

2/8/10 2:26 PM **yrford** @stanleysim61 #simsoap Whoa there Hoss... You may want to slow up on the antacids, dude.

2/8/10 4:03 PM **inetnurse** #SimSoap @StanleySim61 is so uncomfortable during his afternoon sales call that he cuts it a little short.

2/8/10 4:04 PM **inetnurse** #SimSoap @StanleySim61 pops the last two antacids in the roll on his way to the post office and decides to head home.

2/8/10 4:10 PM **StanleySim61** #SimSoap Home a little early. There is a commercial on for Unexium - sounds right up my alley.

2/8/10 4:11 PM **inetnurse** #SimSoap @StanleySim61 is home watching TV and sees a commercial about a medication that helps to relieve heartburn pain.

2/8/10 4:11 PM **inetnurse** #SimSoap @StanleySim61 can't get comfortable, so he decides to hop in his truck and swing by the drugstore.

2/8/10 4:12 PM **StanleySim61** #SimSoap I bought one of everything in the indigestion aisle...nothing seems to be working.

2/8/10 4:14 PM **StanleySim61** #SimSoap Just can't seem to get relief. Next time I watch the Superbowl at a bar, I'm going to order my hot wings mild!

2/8/10 4:15 PM **inetnurse** #SimSoap @StanleySim61 is driving by Urgent Care. He takes a quick left into the circle drive. It looks busy.

2/8/10 4:15 PM **inetnurse** #SimSoap He looks in his briefcase hoping for a hidden half-used roll of antacids. No luck.

2/8/10 4:17 PM **inetnurse** #SimSoap @StanleySim61 parks and walks in to the waiting room at Urgent Care.

2/8/10 4:19 PM **inetnurse** #SimSoap When Stanley arrives at the Urgent Care, there is an H1N1 outbreak.

2/8/10 4:19 PM **inetnurse** #SimSoap The waiting room is overflowing with patients.

2/8/10 4:20 PM **inetnurse** #SimSoap The staff is moving people through quickly enough, but this influx of patients was unexpected.

2/8/10 4:21 PM **StanleySim61** #SimSoap Arrived at Urgent Care. This H1N1 is out of control.

2/8/10 4:22 PM **StanleySim61** #SimSoap There are coughing, sneezy people everywhere, gripping snotty tissues.

2/8/10 4:22 PM **StanleySim61** #SimSoap I've heard this called the pigs revenge.

2/8/10 4:23 PM **StanleySim61** #SimSoap I wonder how long this wait is going be. This is the last place I want to be.

2/8/10 4:23 PM **StanleySim61** #SimSoap Haven't had the flu in decades, but boy, do I wish I'd gotten my flu shot this year.

2/8/10 4:24 PM **StanleySim61** #SimSoap I just wish they would give me a prescription for Unexium, so I could get out of here.

2/8/10 4:25 PM **inetnurse** #SimSoap @StanleySim61 is feeling anxious in the crowded waiting room of the Urgent Care.

2/8/10 4:25 PM **StanleySim61** #SimSoap This sniffing kid just threw his snot rag under the chair. These waiting room chairs must be full of germs.

2/8/10 4:26 PM **inetnurse** #SimSoap There is hand sanitizer mounted on the wall in the waiting room.

2/8/10 4:27 PM **inetnurse** #SimSoap @StanleySim61 goes up to the dispenser and covers his hands and wrists with the clear liquid spray.

2/8/10 4:30 PM **inetnurse** #SimSoap Urgent Care staff offers white masks to people in the waiting room

2/8/10 4:32 PM **StanleySim61** #SimSoap I'd feel like a fool taking one, but they're passing out masks to all of these coughers

2/8/10 4:33 PM **StanleySim61** #SimSoap Some of the elderly people waiting here probably need the masks. Maybe I should take one too?

2/8/10 4:34 PM **StanleySim61** #SimSoap I'd hate to come in with heartburn and leave with swine flu! Wouldn't be good for business at all.

2/8/10 4:35 PM **inetnurse** #SimSoap @StanleySim61 checks a long list of "no's" on the intake form, hoping he'll get in and out faster.

2/8/10 4:35 PM **inetnurse** #SimSoap Someone calls Stanley's name. It's finally his turn. Stanley hands over the clipboard with his intake form and steps on the scale.

2/8/10 4:36 PM **StanleySim61** #SimSoap Little purple pill. Little purple pill. Ask my doctor about a little purple pill.

2/8/10 4:37 PM **inetnurse** #SimSoap @StanleySim61 is not being forthcoming. No mention of his stressful job.

2/8/10 4:38 PM **inetnurse** #SimSoap @StanleySim61 hears a child coughing as the child is led down the hall past his exam room.

2/8/10 4:38 PM **inetnurse** #SimSoap @StanleySim61 is panicky and wants to leave Urgent Care.

2/8/10 4:39 PM **inetnurse** #SimSoap He does not even mention that his father died of a heart attack in his early 50's.

2/8/10 4:41 PM **inetnurse** #SimSoap asks the doctor for a prescription for Unexium & tells the doc about yesterday's jalapeno burger

2/8/10 4:43 PM **inetnurse** #SimSoap @StanleySim61 has been regretting last night's jalapeno burger and he's thinking about giving up his hot wing habit for Lent...

2/8/10 4:45 PM **inetnurse** #SimSoap @StanleySim61 is encouraged to take antacids and to follow up with his primary care physician

2/8/10 4:46 PM **inetnurse** #SimSoap They tell him to go to the hospital if his symptoms persist.

2/8/10 4:47 PM **StanleySim61** #SimSoap Got to follow up with my primary care doc. I knew I was over reacting...

- 2/10/10 2:57 PM **StanleySim61** #SimSoap Just caught a glimpse of myself in the window. I'm changing my mind. I do look kind of purdy in this thing.

- 2/10/10 3:27 PM **inetnurse** #SimSoap He wonders if anyone other than Mabel at the Biscuit Shack, and maybe his boss, would even know that he's been in the hospital.
- 2/10/10 3:27 PM **inetnurse** #SimSoap @StanleySim61 is thinking that his followers on Twitter have felt like a family these past few days...
- 2/10/10 3:28 PM **inetnurse** #SimSoap @StanleySim61 is emotional. His nose is turning red. He's looking down and his eyes are welling with tears.

2/10/10 3:28 PM **StanleySim61** #SimSoap Nurse came in to check on me. She put her hand on my arm and I felt like I was on the Oprah show.

2/10/10 3:29 PM **StanleySim61** #SimSoap Everybody on the Oprah show cries - either that or they act surprised when they find a gift under their chair - am I right?

2/10/10 3:29 PM **StanleySim61** #SimSoap No body tells you that a heart attack turns you into a big old baby.

2/10/10 3:31 PM **StanleySim61** #SimSoap Can't believe I hid my cigarettes from my mother for 23 years...

2/10/10 3:31 PM **StanleySim61** #SimSoap - and this nurse gets up close to me, and asks me "so, how much do you smoke?" and I spill it.

2/10/10 3:31 PM **StanleySim61** #SimSoap She must have a nose like a hound dog.

2/10/10 3:33 PM **inetnurse** #SimSoap Using her sense of smell and touch for patient assessment, @StanleySim61's nurse suspects that he is a smoker.

2/10/10 3:34 PM **inetnurse** #SimSoap @StanleySim61, who is feeling like he just received a second chance at life, admits to her that yes, he 's an "occasional" smoker.

2/10/10 3:35 PM **inetnurse** #SimSoap To Stanley, an "occasional smoker" means that he doesn't take smoke breaks during the day.

2/10/10 3:35 PM **inetnurse** #SimSoap He never smokes in the presence of family or clients. For the past 30 years he has been known to have a cigarette here and there.

2/10/10 3:36 PM **inetnurse** #SimSoap At most, when times are stressful, Stanley has ... "maybe 10 cigarettes a day".

2/10/10 3:36 PM **inetnurse** #SimSoap But, he says sometimes, he can go a whole week without a single cigarette.

2/10/10 3:37 PM **yrford** Hate ro break it to you, but ur Mama knew, too..sniff, sniff! RT @StanleySim61: #SimSoap She must have a nose like a hound dog.

2/10/10 3:39 PM **StanleySim61** #SimSoap Okay, so you know I'm a smoker. I never claimed I was a saint...

2/10/10 3:41 PM **StanleySim61** #SimSoap Generally, I'm a good guy - a good guy who pulls for the Devils, just like a smoke every now and then. Calms me down.

2/10/10 4:26 PM **inetnurse** #SimSoap @StanleySim61 begins thinking about small farm pork products.

2/10/10 4:27 PM **inetnurse** #SimSoap Lower stress, fewer and happier hogs, less waste, healthier product. He scribbles notes to himself on his trusty yellow legal pad.

2/10/10 4:28 PM **StanleySim61** #SimSoap The organic farming market is expanding rapidly. What do you all know about that? Got to do some research when I get out of here.

2/10/10 4:29 PM **StanleySim61** #SimSoap Daddy used to say: "If the world don't make way for the country boy, it don't matter, 'cause the country boy makes his own way!"

2/10/10 4:30 PM **StanleySim61** #SimSoap These are some futuristic looking little pills somebody left on my bedside table.

2/10/10 4:30 PM **StanleySim61** #SimSoap Wonder if they're switching me to some new medication.

2/10/10 4:30 PM **inetnurse** #SimSoap @StanleySim61 asks his nurse about an unfamiliar medication that was left for him with a glass of water on his bedside table.

2/10/10 4:32 PM **inetnurse** #SimSoap His nurse looks at the med cup and then at Stanley's I.D. bracelet, and tells him, "I'm sorry those weren't meant for you Stan."

2/10/10 4:32 PM **inetnurse** #SimSoap She slips the pills into her white coat pocket.

2/10/10 4:33 PM **inetnurse** #SimSoap Two nurses are in the hall going through the Rights of Medication Administration.

2/10/10 4:34 PM **inetnurse** #SimSoap The Right Drug. In the Right Dose. To the Right Client.

2/10/10 4:34 PM **inetnurse** #SimSoap At the Right Time. By the Right Route. Right Documentation. Client's Right to Refuse.

2/10/10 4:34 PM **StanleySim61** #SimSoap I think somebody is trying to off me around here. They just brought me some meds that were meant for the guy next door!

2/10/10 4:35 PM **StanleySim61** #SimSoap Good thing, my nurse checked my I.D. bracelet to confirm I am who I say I am!

2/10/10 4:35 PM **StanleySim61** #SimSoap I wonder why people are getting me confused with the guy next door. He can't be nearly as handsome as I am in this gown...

2/10/10 4:36 PM **inetnurse** #SimSoap Stanley's nurse "Mr... Um Stanley, I don't mean any disrespect, but the guy next door, well he does look just like you."

2/10/10 4:37 PM **yrford** RT @StanleySim61: #SimSoap They just brought me some meds that were meant for the guy next door! May be that Dr who likes the Tarpeeps!

2/10/10 4:38 PM **inetnurse** #SimSoap Stanley's nurse says "He's certainly not as polite as you are though."

2/10/10 4:39 PM **inetnurse** #SimSoap Stanley's nurse to @StanleySim61: "The two of you... Well you look like you came from the same mold or something."

2/10/10 4:40 PM **inetnurse** #SimSoap Stanley's nurse says, "I'm not trying to make excuses or anything for the medicine mix up, "

2/10/10 4:41 PM **inetnurse** #SimSoap Stanley's nurse: "but when you get to feeling better, you might go introduce yourself. "

2/10/10 4:42 PM **inetnurse** #SimSoap Nurse to @StanleySim61"Maybe the patient next door is your long lost brother or something?"

2/10/10 4:43 PM **StanleySim61** #SimSoap So, the nurse says that the guy next door looks a lot like me. They actually, gave me his meds instead of mine.

2/10/10 4:49 PM **StanleySim61** #SimSoap ...the guy is probably, my evil twin, a soy sausage salesman or something...

2/10/10 4:49 PM **StanleySim61** #SimSoap Good thing, I asked somebody what those funny looking pills were!

2/10/10 4:53 PM **StanleySim61** #SimSoap 4hours and 9 minutes until the game! #goduke #bluedevils #iheartcoachK

2/10/10 4:54 PM **inetnurse** #SimSoap @StanleySim61 will be watching tonight's game UNC vs. Duke at 9:00 P.M.! #goduke #bluedevils #iheartcoachK

2/10/10 5:18 PM **StanleySim61** #SimSoap I have to go to the bathroom. I just wish the nurse would leave, so I could get up and go.

2/10/10 5:19 PM **StanleySim61** #SimSoap The last thing I want to do is to expose my naked backside to her. I probably look like plucked chicken.

2/10/10 5:45 PM **MargieCND** #SimSoap @StanleySim61 Be sure that you ask for help if you need it. Last thing you need is a fall! Nurses hate incident reports!

2/11/10 9:11 AM **MidgeNP** #SimSoap @StanleySim61 Hope you were up to watching the game last nite. First half was nerve racking but the Devils pulled it out

2/11/10 9:24 AM **StanleySim61** #SimSoap @MidgeNP I sure did watch last night's game. #goduke!

2/11/10 9:26 AM **StanleySim61** #SimSoap I felt like a king last night.

2/11/10 9:27 AM **StanleySim61** #SimSoap I must have had 10 people in here, caring for me. Some of 'em nurses, doctors, physical therapists, housekeeping.

2/11/10 9:28 AM **StanleySim61** #SimSoap If they are all back today, I'm going to have to ask for another white board to keep all of their names straight.

2/11/10 9:29 AM **StanleySim61** #SimSoap Thank goodness for nametags.

2/11/10 9:30 AM **StanleySim61** #SimSoap I hope there's not a quiz before they let me out of here.

2/11/10 9:31 AM **StanleySim61** #SimSoap Wonder if all those people were in here last night to take care of me...or if they were just trying to keep up with the game score!

2/11/10 9:34 AM **StanleySim61** #SimSoap Either way it was great to have the company. It feels so good feelin' good again!

2/11/10 3:42 PM **StanleySim61** #SimSoap What happened to the days when nurses wore little white dresses and caps? Everybody is in scrubs.

2/11/10 3:43 PM **StanleySim61** #SimSoap This little doll who didn't look a day over 19 came in here and explained she was my cardiologist!

2/11/10 3:43 PM **StanleySim61** #SimSoap Then, a linebacker looking fellow came in and introduced himself to me as my nurse. Times are changing!

2/11/10 3:45 PM **StanleySim61** #SimSoap Speaking of changes, Thinking it's high time to come in and change my IV. Same one has been sticking out of me for two days!

2/11/10 3:46 PM **inetnurse** #SimSoap Nurse to @StanleySim61: " Evidence says IV's are best changed every four days. This practice cuts down on catheter infections."

2/11/10 3:48 PM **StanleySim61** #SimSoap Nurse set me straight, if it continues to look okay, I could wear this IV for four days.

2/11/10 3:48 PM **StanleySim61** #SimSoap But, they say I can probably go home this afternoon, so hopefully someone will come take the IV out soon and send me on my way.

2/11/10 4:00 PM **StanleySim61** #SimSoap I've been antsy all day. Watching these health education videos, on the patient education channel.

2/11/10 4:01 PM **StanleySim61** #SimSoap I can choose to learn to take care of my feet, my heart, eat better, shower after surgery....Some of the videos are even in Spanish.

2/11/10 4:03 PM **StanleySim61** #SimSoap Earlier today, this one nurse came by and shined a blue light on another nurse's hands.

2/11/10 4:03 PM **StanleySim61** #SimSoap It turns out they've got this program that detects whether the nurses have washed their hands.

2/11/10 4:04 PM **StanleySim61** #SimSoap I don't know if they have to pay a fine if it shows that they've got dirty hands or if they get gold stars for clean hands or what.

2/11/10 4:06 PM **StanleySim61** #SimSoap But, Thank the stars my nurse checked out just fine. - not washing hands with all these sick people around gives me the willies.

2/11/10 4:06 PM **StanleySim61** #SimSoap Made me think back to when I was a lifeguard at the Mythfield public pool in high school.

2/11/10 4:10 PM **StanleySim61** #SimSoap Used to tell the kids the pool water had this special chemical that would turn the water bright orange if they tinkled in it.

2/11/10 4:11 PM **StanleySim61** #SimSoap There was no such thing back then, but I like to think it kept some tinkle out of the water.

2/11/10 4:12 PM **yrford** @StanleySim661 #SimSoap Stan, you must be getting better. Sounds like you are bored. Does a sick person need your bed? LOL!!!

2/11/10 4:39 PM **inetnurse** #SimSoap @StanleySim61 has just been approved for discharge this afternoon.

2/11/10 4:43 PM **StanleySim61** #SimSoap I'm filling out my patient satisfaction survey. It's been much better than most hotels I stay at...<http://bit.ly/cMZLIB>

2/11/10 4:45 PM **StanleySim61** #SimSoap @yrford That's right, I'm feeling great, ready to go home.

2/11/10 4:49 PM **inetnurse** #SimSoap @StanleySim61 receives discharge instructions from his nurse <http://bit.ly/96VMjt>

2/11/10 4:54 PM **inetnurse** #SimSoap The nurse talks to @StanleySim61 about his diet, activities and medications. Stanley will need to make some changes.

2/11/10 4:57 PM **StanleySim61** #SimSoap I like a challenge. Starting today, I'm giving up biscuits and going to buckle down and exercise. Mark my words, I'm a new man!

2/11/10 4:58 PM **StanleySim61** #SimSoap @StanleySim61 to his nurse "So, I've been thinking. I don't have a sweetheart right now or anything.

2/11/10 4:59 PM **StanleySim61** #SimSoap but I was just wondering, does this, umm...does this heart attack thing pretty much shut the door on my love life for good?

2/11/10 5:03 PM **inetnurse** #SimSoap Nurse to @StanleySim61, "Before you engage in sexual activity, Stanley, you'll want..."

2/11/10 5:03 PM **inetnurse** #SimSoap Nurse to @StanleySim61, "you will want to be able to climb two flights of stairs with out pain or feeling out of breath."

2/11/10 5:06 PM **StanleySim61** #SimSoap I'm pretty sure my nurse just quoted the movie "As Good As it Gets" in the discharge instructions she gave me...

2/11/10 5:07 PM **StanleySim61** #SimSoap I just made my nurse blush. Poor young thing, I'm afraid she thought I was asking her out. Feel like a dirty old man.

2/11/10 5:07 PM **StanleySim61** #SimSoap Wasn't asking her out by the way.

2/11/10 5:08 PM **StanleySim61** #SimSoap Darn it. Can't drive today.

2/11/10 5:09 PM **StanleySim61** #SimSoap Now, I got to figure out how to get home and how to get my truck back home too.

2/11/10 5:10 PM **StanleySim61** #SimSoap If I'd taken an ambulance here, I might have saved some money.

2/11/10 5:11 PM **StanleySim61** #SimSoap I didn't even know Mythfield had taxis.

2/11/10 5:13 PM **inetnurse** #SimSoap @StanleySim61 takes a taxi home, leaving his car at the hospital.

2/11/10 5:13 PM **inetnurse** #SimSoap On the way home, @StanleySim61 asks the taxi driver to stop by the Biscuit Shack.

2/11/10 5:14 PM **inetnurse** #SimSoap @StanleySim61 orders a fruit cup and says hello to Mabel, his favorite cashier at the Biscuit Shack.

2/11/10 5:17 PM **inetnurse** #SimSoap @StanleySim61 drops this Valentine in the tip jar for Mabel <http://tweetphoto.com/11076869>

2/11/10 5:18 PM **inetnurse** #SimSoap Mabel adjusts her hairnet and waves goodbye to @StanleySim61

2/11/10 5:24 PM **inetnurse** #SimSoap @StanleySim61 is sitting in his bed. He's restless at home Tweeting.

- 2/11/10 5:25 PM **StanleySim61** #SimSoap So, I'm feeling pretty cool. Not only do I have a fancy cell phone, and a Twitter account, I have an electronic health record.
- 2/11/10 5:26 PM **StanleySim61** #SimSoap My prescription is going to be sent electronically to the pharmacy. Guess it's been a while since I've had a prescription.
- 2/11/10 5:29 PM **StanleySim61** #SimSoap I remember bringing a scrap of paper over to the pharmacy.
- 2/11/10 5:30 PM **StanleySim61** #SimSoap and the doctor scrawled something that looked like "potatoes" and "i€" on that scrap of paper.
- 2/11/10 5:32 PM **StanleySim61** #SimSoap I was always afraid what would happen when old Milt at the pharmacy died,
- 2/11/10 5:32 PM **StanleySim61** #SimSoap 'cause I always figured Milt was the only guy in the world who could read the doctor's handwriting.
- 2/11/10 5:32 PM **StanleySim61** #SimSoap Those two must have shared some kind of language all their own.
- 2/11/10 5:33 PM **StanleySim61** #SimSoap I can see all of my test results and everything online.
- 2/11/10 5:33 PM **StanleySim61** #SimSoap I just hope some 14-year old computer hacker isn't interested in my heart problems or my electronic health record.
- 2/11/10 5:34 PM **StanleySim61** #SimSoap One more thing I gotta figure out how to keep locked up.
- 2/11/10 5:34 PM **StanleySim61** #SimSoap Yep, another password to remember.
- 2/11/10 5:35 PM **StanleySim61** #SimSoap Trying to keep my passwords straight - you got to have a letter here, a symbol there, security questions. Bugs the beans out of me!
- 2/11/10 5:36 PM **inetnurse** #SimSoap A mysterious posts appears on Craigslist Missed Connections. Do you think she's talking about StanleySim 61? <http://bit.ly/d2d6JX>
- 2/11/10 5:40 PM **inetnurse** #SimSoap That's an awful lot of protected health information...but that does sound like our @StanleySim61!

2/12/10 9:51 AM **inetnurse** #SimSoap Recap @StanleySim61 suffered a heart attack in the ER a few days ago.

2/12/10 9:52 AM **inetnurse** #SimSoap When his heart began beating again, and he was discharged from the hospital, @StanleySim61 vowed to turn over a new leaf.

2/12/10 9:53 AM **inetnurse** #SimSoap Yesterday, on Cragislist in the Missed Connections section, someone seemed to describe @StanleySim61.

2/12/10 9:53 AM **inetnurse** #SimSoap But did the person who posted as "nurse/matchmaker" give out too much information?

2/12/10 9:54 AM **inetnurse** #SimSoap Read the Missed Connections post, and decide for yourself. <http://bit.ly/aUU9oX>

2/12/10 9:55 AM **inetnurse** #SimSoap The person who posted as "nurse/matchmaker" was responding to this post <http://bit.ly/9b1RO8>

2/12/10 10:45 AM **inetnurse** #SimSoap In @StanleySim61's world, time stops and starts again. Hearts stop and start again.

2/12/10 10:46 AM **inetnurse** #SimSoap In @StanleySim61's world, there are no malpractice suits.

2/12/10 10:46 AM **inetnurse** #SimSoap In @StanleySim61's world, there are do-overs and practice runs and mistakes that don't hurt anyone.

2/12/10 10:49 AM **inetnurse** #SimSoap But in @StanleySim61's world as in ours, there are still consequences, tears, learning, growth and understanding.

2/12/10 10:49 AM **inetnurse** #SimSoap Today @StanleySim61 enters cardio rehab.

2/12/10 10:50 AM **StanleySim61** #SimSoap This morning, I feel like a new man!

2/12/10 10:51 AM **StanleySim61** #SimSoap At the store, picked up a little carton with some kind of healthy egg product in it. Didn't taste too bad.

2/12/10 10:54 AM **StanleySim61** #SimSoap I think I'll always feel funny about eating an egg without cracking it first. Just doesn't seem right pouring egg out of a carton!

- 2/12/10 10:55 AM **StanleySim61** #SimSoap Somebody next to me at the Wiggly Piggly was looking for free-range organic eggs.
- 2/12/10 10:56 AM **StanleySim61** #SimSoap I guess she thought I'd know something about that (other than that they're expensive) since I was buying boxed healthy egg.
- 2/12/10 10:56 AM **StanleySim61** #SimSoap Wonder if that labeling is just a load of hogwash or if those organic eggs would taste like the ones that granny's hens laid.
- 2/12/10 10:59 AM **StanleySim61** #SimSoap @newman5 Thanks Newman, it's good to be back. This eating healthy thing, kind of makes my head spin.
- 2/12/10 10:59 AM **StanleySim61** #SimSoap I could go for a pulled pork sandwich about now ...but I'm headed to cardio rehab.
- 2/12/10 11:00 AM **StanleySim61** #SimSoap I'm going to take a little bike ride...
- 2/12/10 11:01 AM **inetnurse** #SimSoap At the cardiac rehabilitation center, @StanleySim61 is on the stationary bicycle peddling.
- 2/12/10 11:02 AM **StanleySim61** #SimSoap A little radio, a little sportscast, I might be able to get back into this working out thing.
- 2/12/10 11:02 AM **StanleySim61** #SimSoap Dark and silent late last night...
- 2/12/10 11:03 AM **StanleySim61** #SimSoap Think I might have heard the highway calling
- 2/12/10 11:03 AM **StanleySim61** #SimSoap Signs that might be omens say I'm going, going
- 2/12/10 11:04 AM **inetnurse** #SimSoap Do you know what song @StanleySim61 is listening to?
- 2/12/10 11:12 AM **inetnurse** #SimSoap When @StanleySim61 said he was turning over a new leaf...what kind of changes are in store?
- 2/12/10 11:18 AM **newman5** @StanleySim61 #simsoap You are changed! First eggs from a milk carton, then THAT song, what's next? Regardless, remember you r a blue devil

2/12/10 11:19 AM **StanleySim61** #SimSoap I'm goin'...to Carolina in my mind.

2/12/10 11:22 AM **StanleySim61** @newman5 #SimSoap Just remembering the Blue Devils pulling out with 64-54 win at Carolina Wednesday night! #gduke

2/12/10 11:22 AM **StanleySim61** #SimSoap A few nights ago...with a holy host of others standing 'round me

2/12/10 11:23 AM **StanleySim61** #SimSoap Can't you see the sunshine? Can't you just feel the moonshine?

2/12/10 11:23 AM **StanleySim61** #SimSoap I'm glad to be alive.

2/12/10 11:27 AM **inetnurse** #SimSoap @StanleySim61 is walking laps around the track and listening to a podcast and streaming radio.

2/12/10 11:28 AM **inetnurse** #SimSoap @StanleySim61 sees a beautiful woman ahead of him wearing a gray jogging suit. She looks to be about his age.

2/12/10 11:28 AM **inetnurse** #SimSoap He slows down/speeds up. @StanleySim61 is trying to keep her at a distance.

2/12/10 11:29 AM **inetnurse** #SimSoap Stanley takes a water break so that he's not right behind her looking at her rear end.

2/12/10 11:29 AM **inetnurse** #SimSoap She disappears.

2/12/10 11:30 AM **newman5** @StanleySim61 #simsoap Holy Cow! You died. Saw the light! And came back to life. You are charmed. Time to party #notyourtimetogo

2/12/10 11:31 AM **inetnurse** #SimSoap She reappears on the other side of the track.

2/12/10 11:32 AM **inetnurse** #SimSoap Now, Stanley is walking clockwise around the track. This beautiful woman is walking counterclockwise.

2/12/10 11:32 AM **inetnurse** #SimSoap She is approaching. His heart speeds up.

2/12/10 11:32 AM **inetnurse** #SimSoap Stanley looks down at his feet. His palms are sweaty.

2/12/10 11:33 AM **inetnurse** #SimSoap @StanleySim61 looks up just as she passes, and meets her gaze. In that instant, he has a flash of recognition.

2/12/10 11:34 AM **inetnurse** #SimSoap @StanleySim61 says to the lady in the gray fitted jogging suit, "Cookie, is that you? I'd know that little fanny anywhere."

2/12/10 11:35 AM **inetnurse** #SimSoap Cookie: "How'd you find me here Stanley?!"

2/12/10 11:37 AM **inetnurse** #SimSoap Stanley: "Finding you wasn't exactly my plan when I left the house this morning. Doc sent me here to get my heart back in shape."

2/12/10 11:37 AM **inetnurse** #SimSoap Stanley: "Maybe they knew it would need to be strong before I could run back into you after all these years. "

2/12/10 11:38 AM **inetnurse** #SimSoap Cookie: "Nobody has called me "Cookie" in years. I was just finishing up my walk."

2/12/10 11:39 AM **inetnurse** #SimSoap Cookie to @StanleySim61: " I was thinking about going for a ride on the stationary bike? Want to join me?"

2/12/10 11:40 AM **inetnurse** #SimSoap Remember, @StanleySim61 was on the stationary bike before the laps. Let's hope he doesn't overexert himself!

2/12/10 11:41 AM **inetnurse** #SimSoap Stanley: "Well sure, Cookie. Is there a bicycle built for two over there? ...If you don't mind me asking what are you in for?"

2/12/10 11:41 AM **inetnurse** #SimSoap Cookie explains that she thought that she was just getting older, but it turned out to be heart disease.

2/12/10 11:41 AM **inetnurse** #SimSoap @StanleySim61 sits down on the bicycle next to hers.

2/12/10 11:42 AM **StanleySim61** #SimSoap Just ran into my old sweetheart. Who would have guessed back when we were 19 that we would both be in here with sick hearts?

2/12/10 11:44 AM **inetnurse** #SimSoap Cookie: "Stanley, how's your mamma doing? For a few years after college I used to get the sweetest birthday cards from her."

2/12/10 11:45 AM **inetnurse** #SimSoap Stanley: "Oh, ma was a peach, wasn't she? She passed a few years back. She always liked you."

2/12/10 11:45 AM **inetnurse** #SimSoap Cookie "Oh I'm. Real sorry to hear that. She was a fine woman."

2/12/10 11:46 AM **inetnurse** #SimSoap Stanley: "Cookie, did your wedding band get too tight or something?"

2/12/10 11:46 AM **inetnurse** #SimSoap Cookie: "Nice Stanley, real nice. "

2/12/10 11:47 AM **inetnurse** #SimSoap Cookie: "I know I've gained a few pounds since college - but no, I made that band into a toe ring when I got divorced..."

2/12/10 11:47 AM **inetnurse** #SimSoap Stanley: "I didn't mean to call you chubby. I think you look just great. I really do."

2/12/10 11:47 AM **inetnurse** #SimSoap Cookie: "Oh that's alright."

2/12/10 11:48 AM **inetnurse** #SimSoap Stanley: "You know you were always way outta that guys league anyway."

2/12/10 11:49 AM **StanleySim61** #SimSoap Just put my foot in my mouth- just trying to figure out if she's single...

2/12/10 11:49 AM **inetnurse** #SimSoap Cookie: "Stanley, where's your wedding ring? Or are you one of those guys who just claim not to like jewelry?"

2/12/10 11:50 AM **inetnurse** #SimSoap Stanley: "Oh, nah, No wife. I never did find a woman that I liked as much as you, Cookie."

2/12/10 11:50 AM **inetnurse** #SimSoap Stanley: "Love of my life so far was my chocolate lab. She was as sweet as you were back then. Loyal too."

2/12/10 11:51 AM **StanleySim61** #SimSoap Great I just compared her to a dog and then called her disloyal!

2/12/10 11:52 AM **inetnurse** #SimSoap Cookie: "Stanley what are you doing on your cell phone all the time- is there something so important?"

2/12/10 11:52 AM **MargieCND** @StanleySim61 #SimSoap Was that James Taylor you were listening to? Soothing for the heart!

2/12/10 11:54 AM **negaratduke** That @StanleySim61 is getting fresh with the ladies at the hospital and with a sick heart too! You following the Twitter soap #SimSoap ? #FF

2/12/10 11:57 AM **inetnurse** #SimSoap Cookie: "I'm worried you're going to fall off this stationary bike! Yaknow about the new ban on texting while driving, don't ya?"

2/12/10 11:58 AM **inetnurse** #SimSoap Stanley: "You've got a good point with that. I'm sorry. I forgot my manners."

2/12/10 11:59 AM **inetnurse** #SimSoap Stanley: "Since this whole heart attack thing. I've, well sorta gotten into Twitter, that's all. Mostly tweeting about basketball."

2/12/10 12:00 PM **inetnurse** #SimSoap She raises her eyebrows, tells him it was nice to see him while she wipes down the machine, and then she goes into the locker room.

2/12/10 12:01 PM **StanleySim61** #SimSoap I think I just blew it.

2/12/10 12:01 PM **StanleySim61** #SimSoap You bet! @MargieCND Love James Taylor!

2/12/10 12:02 PM **StanleySim61** #SimSoap I used to dream of running into that gal, and then here it happens, and all I can do is insult her.

2/12/10 12:04 PM **StanleySim61** #SimSoap Maybe, she doesn't know much about computers. Maybe she thinks Twitter is for teenagers. Wish it didn't end on that awkward note.

2/12/10 12:21 PM **StanleySim61** #SimSoap Could have asked her out for coffee - or prune juice. Can't believe I'm such an old fart.

2/12/10 12:21 PM **StanleySim61** #SimSoap Don't even know how to ask a lady out anymore.

2/12/10 12:22 PM **StanleySim61** #SimSoap I wonder if I'll see her again.
